NOTES:

---Last Friday night's Fish Fry was a tremendous success. Despite intermittent showers, over 110 people showed up for great fellowship and an excellent meal catered by Bruce-Terri. This is the kind of event that has made ours a great club for many years. We'd like to extend that success to future generations, and the best way to ensure that is to call on the experts. That's what our Arklahoma District leadership has planned for us the weekend of June 1-3 on Grand Lake, just a couple of hours away in northeast Oklahoma. The cost is very affordable for an energetic weekend with plenty of time available to enjoy the beauty of the area. Whether you're a new member, a board member, a long-time member or a past president, if you want to see this club continue to be an exceptional experience for years to come, please plan to join us for a couple of days that could really make a difference. You're paying these folks \$20 a year in dues; here's your chance to reap the rewards of that investment.

---Here's a thought from Bob Hester: With a strong history of over 80 years, the Fort Smith Noon Club is rich with experience that other clubs would love to tap. Bob invites our club members, especially those with many years of service, to share the details of what is so great about our organization with the rest of the district. The best forum for that is the Arklahoma Convention, June 1-3.

---The registration form for the Arklahoma District Convention is included in this newsletter.

HUMOR:

Andy Rooney Quotes:

---Never raise your hands to your kids. It leaves your groin unprotected.

---I'm not into working out. My philosophy: No pain, no pain.

---I am in shape. Round's a shape!

---Ever wonder if illiterate people get the full effect of alphabet soup?

---Have you ever noticed? Anybody going slower than you is an idiot, and anyone going faster is a maniac.

---The statistics on sanity are that one out of every four Americans is suffering from some form of mental illness. Think of your three best friends. If they are okay, then it's you.

---Future historians will be able to study at the Gerald Ford Library; the Jimmy Carter Library; the Ronald Reagan Library and the Bill Clinton Adult Bookstore.
