PROGRAM:

We were wowed by the talents and enthusiasm of the girls attending Girls Inc. The girls all expressed their appreciation for the Noon Exchange with some cheers and even individual thank you's.

HUMOR:

A very successful businessman had a meeting with his new son-in-law. "I love my daughter, and now I welcome you into the family," said the man. "To show you how much we care for you, I'm making you a 50-50 partner in my business. All you have to do is go to the factory every day and learn the operations."

The son-in-law interrupted, "I hate factories. I can't stand the noise." "I see," replied the father-in-law. "Well, then you'll work in the office and take charge of some of the operations."

"I hate office work," said the son-on-law. "I can't stand being stuck behind a desk all day."

"Wait a minute," said the father-in-law. "I just make you half-owner of a moneymaking organization, but you don't like factories and won't work in an office. What am I going to do with you?"

"Easy," said the young man. "Buy me out."
