### **PROGRAM:**

Our very own, Judge David Hudson, was the featured speaker and he gave a detailed rundown on three major capitol projects in Sebastian County. First, the jail has undergone a substantial addition and now houses more than 360 inmates. The expansion required no new taxes and was completed with funds currently on hand. The Courts Building is a \$14.6 million project and will be complete this year. It will improve security, citizen business and courts efficiency. The Parks system boasts the only county run golf course in the state. Ben Geren also has an 18 hole Disc Golf Course, softball fields, tennis courts and bike and hiking trails. Midland Park has horse trails and 4-wheeler trails.

### **HUMOR:**

#### **Marriage's Advantage**

Marriage means that someone helps you coping with all the problems you never had when you were single.

### **NOTE:**

The ARKLAHOMA District convention was a huge success. Every active club in the district was represented. Next year, Fort Smith is hosting the convention!
