### **HUMOR:**

Two guys are golfing on a course that is right next to a cemetery. After they tee off, one of the golfers notices that there is a funeral procession passing by. So he takes off his hat, and places it over his heart. When the funeral is over, the other golfer looks at the guy and asks, "Why did you do that?"

The man replies, "Well, we were married for almost 40 years. It's the least I could do."

### **FUTURE PROGRAMS:**

June 20 --- Buddy Acoach, Dept of Homeland Security/TSA

### **PROGRAM OF SERVICE:**

One of the most popular Exchange youth projects, the Youth of the Month/Year Award recognizes hard-working high school students who attain high levels of scholastic achievement, community involvement and leadership. This proven program not only rewards outstanding young people, but also provides an incentive for other youngsters to strive for equally high levels of achievement. Once a Youth of the Month program has been successfully implemented, the groundwork for conducting an annual Youth of the Year competition is already in place. Selection of the Youth of the Year is simply made from the club's Youth of the Month recipients for that school year. The club's Youth of the Year advances to district competition, and ultimately, an opportunity to vie for the prestigious National Youth of the Year Award. Specially designed plaques and certificates, along with a detailed Youth of the Month/Year information guide and application, can be obtained from National Headquarters.

My wife, she still gives me a hard time, and says I hunt too much or I like to play golf too much. And she's probably right, but it sure beats some of the things I used to do.
